A Message From Pastor Jeremy

I am so glad you joined us today it is my hope that our Church becomes a place where you can connect with God and with others. The Center of Hope is a place where God is honored, worship is authentic, the teaching is practical and there are people with whom you can build lasting, genuine relationships.

Our aim is to create environments that demonstrate how much God loves us by extending His compassion and truth locally and globally. My prayer is that you will discover, like so many others, that the Center of Hope is a place you can call home.
